

Hush-Hush

Montauk captain **Jimmy George** spills his striped-bass secrets with the introduction of his **Secret Spoons**. These 9-inch-long stainless-steel spoons weigh 1 pound 9 ounces and have caught 60-plus-pound striped bass when trolled on wire line. The fixed keel weight and unique design allow the spoons to flutter. Stock colors include white, silver, fluke, hot pink, chartreuse, tortoise, yellow and copperhead. Troll the spoons on 40- to 60-pound single-strand wire for bass, bluefish, wahoo, kingfish and grouper. Rigged with Spro and Mustad hardware, the spoons cost \$38.
